

20.04.20

Hello Year 2! We hope you had a good Easter break!

Your learning tasks today are:

Writing task: Just like Samuel Pepys, we've been living through a historical event. Lockdown is an event that children will study in the future! Your task today is to write an account of your experiences during this **unprecedented** event (that's my wow word of the day - it means it's never happened before).

Together, we'll create a time capsule for people of the future! Remember to include photos and drawings if you'd like to!

Maths task: Before the Easter break, your parent should have received an email with passwords for different educational websites. Today, we'd like you have a go at logging into Timetables Rock Stars and spend some time on your recall of 10s, 5s, 2s and 3s times tables.

If you do not have access to a computer or tablet, ask a family member to quiz you!

Topic task: Pictures of rainbows have begun appearing in windows up and down the country as families work to stay positive during the lockdown. The posters are often made by children. Perhaps you would like to have a go at making one today?

Physical task: Joe Wicks PE Workouts - daily at 9am
<https://www.thebodycoach.com/blog/pe-with-joe-1254.html>

Reading: Oxford Owl
<https://www.oxfordowl.co.uk/>

If you're beginning to run out of books to read at home, create your own login (for free) at this website! It has different books to read online.

PHSE: It's really important to look after your mind as well as your body. Harold the giraffe is posting daily ideas for creating routines and the different things that you (with the help of your parents/carers) can do to keep happy and healthy – including looking your emotional health.
