Maths Challenge:

<https://nrich.maths.org/6274>

Using only the numbers 1 - 5 complete the arms of the V so they total (add up to) the same amount.

How many possibilities can you find?

How do you know you have found all the possibilities?

This example does not work as the two arms total to different amounts.

Reading

Choose one of the two books assigned to you to read.

Write a sentence to say what happens at the beginning of the book.

Write down three words you aren't sure of the meaning of. Ask a family member, look them up in a dictionary or look online for their meanings.

A more challenging book - read if you're on yellow or want a challenge.

History

What can you remember about 'The Bronze Age'?

Quickly note down everything you can remember. Don't worry if you find this tricky. There will be some more information on the next slides.
