Time Work Book
(You will have all week to work through this book so don't rush)

Hello again Year 4!

I hope you are all well and keeping safe.

This week, we will be creating some art using the nature we find around us. Now is a wonderful time of year when things are growing and nature is certainly flourishing during lockdown.

We may not live somewhere with masses of green space but we have many beautiful and interesting things growing all around us when we take the time to look.

I would like you to collect some items that you can use in a nature sculpture/collage. They can be things found in your garden (if you have one) or on one of your walks outside.

Collect as many different shapes and textures as you can and make a sculpture or collage from the items. There are no rules to WHAT you make-you can be as creative as you like, however, your items must be NATURAL!

Note for next term: try and get hold of some glue, paint, string and cardboard (cereal boxes will be perfect! We will be PRINTING
