Make a tiger using junk modelling

Collect some different pieces of junk modelling from your home such as old kitchen roll holders, empty milk bottles, empty food cartons and containers. Can you make your very own tiger by using junk modelling materials. See the pictures below for some ideas.

Here's one way you could make it: <https://www.activityvillage.co.uk/toilet-roll-tiger>

If you haven't got all of the resources don't worry, you can use your imagination to think of something different. You could use rolled up newspaper instead of pipe cleaners or draw on the eyes with a felt tip pen.

You will need:

- Polystyrene ball
- Toilet roll
- 4 corks
- 1 orange and 1 black pipecleaner
- Orange and black paint
- Wiggle eyes
- Orange craft foam
- Black button

Black ribbon

Glue

Instructions:

Glue the ball on to the top of the toilet roll tube. Paint the ball and tube and the corks orange and leave to dry. Paint on black stripes. Glue the corks on to the tube for the tiger's legs.

Cut two ears from orange craft foam and glue to the top of the ball. Glue on the eyes. Cut two small pieces of ribbon as the whiskers. Glue these on and add a button for the nose.

Explore numbers

You will need:

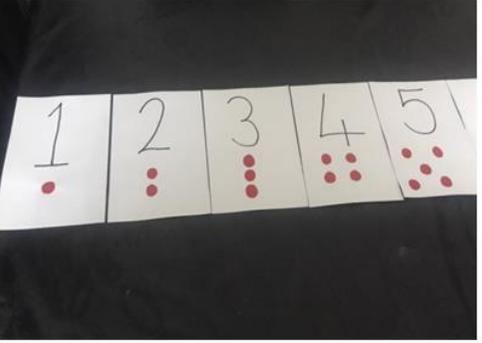

Paper

Felt tips

String

Pegs

<p>Step 1</p>  <p>Make your number cards from 0 to 10. Write the numbers carefully and don't forget to add your coloured dots.</p> <p>You can choose different numbers if you like, such as 0 to 20 or 11 to 20.</p> <p>You may even want to make bigger numbers, it's up to you! 😊</p>	<p>Step 2</p>  <p>Put your number cards in order from smallest to largest.</p> <p>Practice counting forwards.</p> <p>Practice counting backwards.</p> <p>You can even order your number cards from largest to smallest, it's up to you! 😊</p>

Phonics – Can you find things in your home that have 3 sounds?

Go exploring around the house. Can you find different objects that have 3 sounds in them? This could be a f-or-k *fork*, c-u-p *cup*, p-e-n *pen*. I wonder what you will find.

Make some cloud dough

This recipe is really easy, you can make some cloud dough and use it to explore and make lots of different things like sandcastles and much more!

To make it, you will need:

4 cups of flour

1 cup of oil (we most often use baby oil, to get a lovely fragrance)

glitter is optional, but we like some extra sparkle!

All you need to do is combine the ingredients in a bowl and mix...

until it combines and gives you a texture that looks like you're about to make pastry.

But... give the cloud dough a squish with your hand and you'll see how it comes together and holds its shape! So cool!
