Prefix Problems

Note for parents and carers:

Prefixes are added onto the front of words (usually verbs or adjectives) and change their meaning or function in some way. Prefixes do not affect the spelling of the 'root' word. In Year 1, children usually learn about the prefix 'un-'.

Copy these words and add prefix.

root word	add 'un'
happy	
lucky	
do	
tie	
lock	
able	
kind	
even	

Talk to your helper about the meaning of each word. Can you explain how 'un' changes the meaning of a word?

Challenge: Choose two words from each column to put into four different sentences.
