

# Wednesday 22nd April

For each activity, write the date and title in the appropriate workbook (don't waste space and keep your presentation neat).

For example:

Wednesday 22nd April

Reading Activity: ...

Good morning (or good afternoon) Year 5!

Remember, when you are working through the different activities keep your presentation neat - what would Bradley or myself remind you to do...(handwriting, layout, where have you set out your calculations)? Do as much as you can and we will be recapping everything when we meet again!

From David

# Oak National Academy

The Oak National Academy is a website the government has created to provide extra 'lessons' for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

|               |                   |                                                                                                                                                                                                                                                                                                                                                                                                                                            |

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

# Websites and Activities

Here we will keep an updated list of websites and activities you could be doing, once you've finished the Daily Tasks we've set. Some you will need your login details for, some you won't.

## Reading:

- [First News](#): weekly newspaper for children
- [Get Epic](#): online collection of books to read (between 9 am - 4 pm)
- [Read Theory](#): short extracts with comprehension questions

## Maths:

- [Mathletics](#): practice your maths
- [Times Table Rock Stars](#): times table practice (beat the other Year 5 class!)
- [Study Ladder](#): practice maths skills (not just for maths!) (between 8:30 am - 4:30 pm)
- [I See Maths](#): daily lessons for various year groups
- [White Rose](#): maths lessons for different year groups

## Other activities:

- [Joe Wick](#): fitness videos (live at 9:00 am Monday to Friday)
- [DK Find Out!](#): online Encyclopedia
- [Scratch](#): computing/Coding
- [Purple Mash](#):  
Username: y5  
Password y5  
Use for a range of different activities
- [Duolingo](#): learn French
- [Scouts](#): plenty of activities for you to do indoors!

# Contents Page

Here we will provide links to the previous days work that we've set, it may be useful to look at previous days if you missed them.

[Monday 23rd March](#)

[Monday 30th March](#)

[Monday 20th April](#)

[Tuesday 24th March](#)

[Tuesday 31st March](#)

[Tuesday 21st April](#)

[Wednesday 25th March](#)

[Wednesday 1st April](#)

[Thursday 26th March](#)

[Thursday 2nd April](#)

[Friday 27th March](#)

[Friday 3rd April](#)

Date

Reading: Trouble at the Bunbury Bloater Club

- Read [Trouble at the Bunbury Bloater Club](#) and answer the questions in your English workbook.
- Remember, present your work as if it was done in the classroom.
- Write out each answer in full sentences and concentrate on your handwriting.

Additional Reading: [Read Theory](#) for around 30 minutes

# Date

## Writing: Chaperon Rouge

- Watch this video:  
<https://www.literacyshed.com/chaperon-rouge.html#>
- Today we would like you to create a character description, of the wolf or wolves.
- Write a paragraph describing the creatures

Date

Click [here](#) for the answers to yesterday's written work.

## Maths: Measuring

- Log into <https://login.mathletics.com/> and complete the measurement activities assigned to you.

Just write the date and title in your maths book - work to be completed on the computer.

**OR**

- Click [here](#) if you **don't** have access to Mathletics - or want more work to do!

Put the date and title in your maths book. Write the questions and show your working out. The answers are on the final page, so don't look at them until you have finished.

Date

Science: Buoyancy

Look at this page: <https://www.bbc.co.uk/bitesize/topics/zc89k7h/articles/zytqj6f>

Write the answers to these questions in your book:

1. What is buoyancy?
2. How can you make sure something floats?
3. What would you use to make your own boat? Draw and label your own design in your book.

# Date

## RE: Easter

- Watch this film to find out more about the story of Easter:

<https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks1-the-christian-%20story-of-easter/zhgq47h>

- Read [this](#) information about the Stations of the Cross.
- Create a piece of artwork in your book to show one Station of the Cross.

# Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

Try this video:

- Active 8 Minute Workout
