

Friday 22nd May

For each activity, write the date and title in the appropriate workbook (don't waste space and keep your presentation neat).

For example:

Friday 22nd May

Reading: ...

Good morning/good afternoon, Year 5!

A reminder that there is a week-long half-term holiday, starting on Saturday. That means that Bradley and myself won't be setting daily work again until Monday 1st June. However, if you would still like some activities to do you can: find any missed work on the [Contents Page](#), use websites of your choice from the [Websites and Activities](#) page or try the lessons at [Oak National Academy](#) or [BBC Daily Lessons](#).

Activity: Helping at Home

As you are all mature, sensible and caring Year 5s, I'm sure you are already doing this activity...

I want to know what you've been doing to help your parents!

Use Point, Evidence, Explain to record 3 jobs/chores you've done to help out this week.
Example:

1. I have hoovered the flat. On Monday afternoon, at approximately 3 pm, I noticed the floor was dirty so I asked my dad if it was okay to Hoover the floor. My parents were particularly impressed as I usually just play on my X-Box and don't help out...

Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

Try this video:

- Fortnite workout!

Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra 'lessons' for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

Year 5	English	<ul style="list-style-type: none">• Genre Focus: Setting Description
	Maths	<ul style="list-style-type: none">• Transformations• Converting• Volume• Calculating with decimals• 2-D and 3-D shape
	Foundation	Science: <ul style="list-style-type: none">• Unit 1: rock cycle• Unit 2: electricity Humanities: <ul style="list-style-type: none">• Middle East Spanish: <ul style="list-style-type: none">• To learn the alphabet and numbers 1-10 in Spanish Creative: <ul style="list-style-type: none">• To identify a range of different textures and use a pencil to recreate them

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

Extension: Chess Lessons

Hello Year 5,

We have some **very exciting chess news** !

Chess in Schools, (who teach Year 4), have managed to get each Year 5 child a **free gold level access to the ChessKid website until 20th July**.

Chris (Year 6 teacher) has been using it and says it is FANTASTIC !

The [ChessKid for Parents and Carers leaflet](#) tells your parents all they need to know about ChessKid. It is also available on the school website. Click on the link to show it to your parents.

[Click here](#) and we will show you how it works and how you can sign up for a ChessKid Smithy Street account.
