Happy Thursday Year 2!

Your learning tasks today are:

Reading task: Read this book about Corona virus with your adult!

<https://nosycrow.com/wp-content/uploads/2020/04/Coronavirus-A-Book-for-Children.pdf>

It is important to share any thoughts or worries you have with your adults and it is ok to ask them any questions you have! This is a strange time for everyone and it is ok to have different feelings about this.

Maths task: Today, have a go at subtraction questions on a number line. Remember to partition the numbers you are taking away and ask an adult to check your answers.

I find subtraction tricky	I find subtraction ok	I would like a bit of a challenge today
16 - 5	25 - 15	125 - 112
15 - 3	36 - 12	136 - 115
28 - 6	43 - 22	243 - 121
20 - 10	47 - 28	147 - 129
26 - 7	53 - 38	153 - 68

Geography task:

Can you think back to when we went on walks around Stepney and Whitechapel? We looked at human and physical features of our local area around school!

Human features – the impact of people on our environment e.g. things made by humans

Physical features – the natural processes of Earth e.g. the weather

Today take a walk with your adult around your local area to you and see if you can spot the human and physical features of your area!

Human features in an urban environment	Physical features in an urban environment
 <p>The 'Human features' section contains two illustrations. On the left is a red brick house with a chimney and a yellow door, labeled 'house'. On the right is a shop with a sign that says 'S. J. Baker Green Grocers' and a glass door, labeled 'shop'.</p>	 <p>The 'Physical features' section contains three illustrations. The first shows a sun, clouds, and a rain cloud, labeled 'weather'. The second shows a tree with green leaves and a tree with brown leaves, labeled 'seasons'. The third shows a tree and a patch of ground, labeled 'soil'.</p>
