

Thursday 23rd April

(Sorry Ellie got confused with the day! St George's Day is actually today)

St George's Day

Who was St George?
Do some research to
find out.

Reading

Today you will be reading a rhyme by Roald Dahl.

Click on the link for the text and questions.

Don't forget to read the text twice and use it to help you answer the questions.

Lesson 4 - Hundredths on a place value grid

The screenshot shows a video player interface. At the top, it says "Lesson 4 - Hundredths on a place value grid". Below this is a 10x10 grid with a vertical bar on the left side. To the right of the grid, it says "= 10 hundredths". Below the grid, there are four equations: "7 hundredths = 0.07", "8 hundredths = 0.08", "9 hundredths = 0.09", and "10 hundredths = 0.1". At the bottom of the video player, there is a play button, a progress bar showing "04:55", and a settings icon.
