

# Thursday 23rd April

For each activity, write the date and title in the appropriate workbook (don't waste space and keep your presentation neat).

For example:

Friday 3rd April

Reading Activity: ...

Hello Year 5!

With the new Summer Term starting (even though school isn't open) Bradley and myself have started working again and we hope you have too... This week the government has launched [Oak National Academy](#) and the BBC has also started their own [Daily Lessons on iPlayer](#). Both websites are good for different ways of learning new information and revising somethings you already know about.

From David

# Oak National Academy

The Oak National Academy is a website the government has created to provide extra 'lessons' for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

**We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).**

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

<b>Year 5</b>	<b>English</b>	<ul style="list-style-type: none"><li>• Genre Focus: Setting Description</li></ul>
	<b>Maths</b>	<ul style="list-style-type: none"><li>• Transformations</li><li>• Converting</li><li>• Volume</li><li>• Calculating with decimals</li><li>• 2-D and 3-D shape</li></ul>
	<b>Foundation</b>	Science: <ul style="list-style-type: none"><li>• Unit 1: rock cycle</li><li>• Unit 2: electricity</li></ul> Humanities: <ul style="list-style-type: none"><li>• Middle East</li></ul> Spanish: <ul style="list-style-type: none"><li>• To learn the alphabet and numbers 1-10 in Spanish</li></ul> Creative: <ul style="list-style-type: none"><li>• To identify a range of different textures and use a pencil to recreate them</li></ul>

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

# BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

# Reading: Get Epic

- Go to <https://www.getepic.com/app/> and sign in with your username and password.

Note: you can only use Get Epic during school hours (9 am - 4 pm)

Free choice: choose a text to read that interests you.

- 1) What is the title of the text?
- 2) Summarise in 3 sentences what you read about

Time yourself for about 30 minutes on this activity.

## Maths: Fractions

- Log into [https://www.studyladder.co.uk/login/account?lc\\_set=](https://www.studyladder.co.uk/login/account?lc_set=) and complete the work set in 'Tasks' on Fractions.

Note: you can only access the website between 8:30 am and 4:30 pm

Just write the date and title in your maths book - work to be completed on the computer.

OR

- Click [here](#) if you **don't** have access to Study Ladder yet - or want more work to do!  
Write the date and title in your maths book - work to be completed in your book.  
Don't just copy the answers - you won't learn that way!

# Date

## History: Aztecs

- Look at this page: <https://www.dkfindout.com/uk/history/aztecs/>

Answer these questions:

1. Who were the Aztecs?
2. Where did the Aztecs live?
3. Why did the Aztecs perform human sacrifices?
4. How did the Aztec Empire come to an end?
5. Why do you think we remember the Aztecs today?

## Art: Understanding Eye Level

Watch this video: <https://www.youtube.com/watch?v=c9cMOdBR9Vg>

Write the date and title in your book. All you need is a pencil to be able to complete these art activities.

- Practice the art skills in your sketching book at the top of the page first.
- Then draw underneath.

# Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!
