

Tuesday 23rd June

For each activity, write the date and title in the appropriate workbook (don't waste space and keep your presentation neat).

For example:

Tuesday, 23rd June

Hello, Year 5!

The weather forecast has given another week of nice weather, why not use this time to get some exercise (whilst socially distancing) in a local park? Maybe you could come up with a variety of different races for everyone to compete in?

From David.

Reading: First News

- Open [First News](#)

In your writing books:

- 1) Which article interested you the most? Copy the headline.
- 2) Summarise the article in 3 sentences.
- 3) What did you learn - what did it tell you that you didn't already know?

Extension (try your best if you can't print it - maybe use your maths book to draw the crossword?) [Click here!](#)

Additional Reading: [Read Theory](#) for
around 30 minutes

New!

[Online Library](#)

Use [this link](#) to access an online library where you can 'borrow' books to read at home.

You will need to use your actual library card - from the Ideas Store perhaps to access their books.

This [help page](#) gives you more information.

PSHE: Fake News

Watch this video:

<https://www.bbc.co.uk/newsround/38906931>

- What is fake news?
- Why is it a problem?
- When is fake news not a problem?
- Why are we talking about it?
- How do you spot fake news?

Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra ‘lessons’ for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

The screenshot shows the BBC Bitesize Daily Lessons interface for Year 5/P6 lessons, covering Monday 20 April to Friday 24 April. The interface is organized into a grid with columns for each day of the week and rows for different subjects. The subjects listed are English, Maths, History, Geography, Science, Music, and Wellbeing. Each cell in the grid contains a brief description of the lesson for that day and subject.

| Year 5/ P6 lessons | | | | |

Extension: Chess Lessons

Hello Year 5,

We have some **very exciting chess news** !

Chess in Schools, (who teach Year 4), have managed to get each Year 5 child a **free gold level access to the ChessKid website** until **20th July**.

Chris (Year 6 teacher) has been using it and says it is FANTASTIC !

The [ChessKid for Parents and Carers leaflet](#) tells your parents all they need to know about ChessKid. It is also available on the school website. Click on the link to show it to your parents.

[Click here](#) and we will show you how it works and how you can sign up for a ChessKid Smithy Street account.
