

Monday 27th April

For each activity, write the date and title in the appropriate workbook (don't waste space and keep your presentation neat).

For example:

Monday 27th April

Reading Activity: ...

Good morning, Year 5, and Ramadan Mubarak!

We hope you've had a good weekend and managed to get some rest. We've got more activities for you this week. Remember to take your time and complete the ones that we have made for you first. The Oak Academy, BBC Bitesize and chess lessons are extras.

From Bradley

Websites and Activities

Here we will keep an updated list of websites and activities you could be doing, once you've finished the Daily Tasks we've set. Some you will need your login details for, some you won't.

Online Lessons:

- [Oak National Academy](#)
- [BBC Bitesize Daily Lessons](#)

Reading:

- [First News](#): weekly newspaper for children
- [Get Epic](#): online collection of books to read (between 9 am - 4 pm)
- [Read Theory](#): short extracts with comprehension questions

Maths:

- [Mathletics](#): practice your maths
- [Times Table Rock Stars](#): times table practice (beat the other Year 5 class!)
- [Study Ladder](#): practice maths skills (not just for maths!) (between 8:30 am - 4:30 pm)
- [I See Maths](#): daily lessons for various year groups
- [White Rose](#): maths lessons for different year groups

Other activities:

- [Joe Wick](#): fitness videos (9:00 am Monday to Friday)
- [DK Find Out!](#): online Encyclopedia
- [Scratch](#): computing/Coding
- [Purple Mash](#):
Username: y5
Password y5
Use for a range of different activities
- [Duolingo](#): learn French
- [Scouts](#): plenty of activities for you to do indoors!
- [Chess](#): learn, practice, play!

Contents Page

Here we will provide links to the previous days work that we've set, it may be useful to look at previous days if you missed them.

[Monday 23rd March](#)

[Tuesday 21st April](#)

[Wednesday 22nd April](#)

[Thursday 23rd April](#)

[Friday 24th April](#)

Monday 27th April

Tuesday 28th April

Wednesday 29th April

Thursday 30th April

Friday 1st May

Extra Lessons:

- [Oak National Academy](#)
- [BBC Bitesize Daily](#)

Date

Reading: Game Ranger Diaries

- Read [Game Ranger Diaries](#) and answer the questions in your English workbook.
- Remember, present your work as if it was done in the classroom.
- Write out each answer in full sentences and concentrate on your handwriting.

Additional Reading: [Read Theory](#) for around 30 minutes

Date

Writing: Diary

- Watch this video:
<https://www.literacyshed.com/origins.html>
- We are going to write 3 diary entries based on this animation (today, tomorrow and Wednesday).
- For each diary entry I will tell you which part of the animation to refer to for inspiration - remember, you can change or alter the animation to improve your writing!
- Features of a diary:
 - Beginning & Ending (Dear Diary, write back tomorz)
 - Informal language (contractions, slang)
 - 1st person, mostly past tense
 - Thoughts, feelings, emotions - a lot of this!
 - Structure each day with a beginning, middle and end to your diary entry

Day 1:

Beginning:

- In the forest where you've been for many years already
- Describe the setting
- Describe yourself (thoughts, feelings, emotions)

Middle:

- What have you done today?
- What did you see, hear, smell, touch?

End:

- You noticed the train
- Will you get on it?
- Where did it come from?
- Was it always there or has it just appeared?

When you're done, remember to EDIT and IMPROVE your own work. If we were in the classroom what would you change with a blue pen?

Date

Maths: Mathletics

- Log into <https://login.mathletics.com/> and complete the reasoning test assigned to you.

Just write the date and title in your maths book - work to be completed on the computer.

OR

- Click [here](#) if you **don't** have access to Mathletics - or want more work to do!

Put the date and title in your maths book. Write the questions and show your working out. The answers are on the final page, so don't look at them until you have finished. Just copying the answers won't help you. This is why we want to see your working out!

Date

Geography: Volcanoes

Go on <https://www.dkfindout.com/uk/earth/volcanoes/>

- What is a volcano?
- Where are volcanoes found?
- How does a volcano erupt?
- What comes out of a volcano when one erupts?

Date

Activity: French

1. Log onto <https://www.languageangels.com/schools/index.php/intracive-games>

Username: frenchgames

Password: frenchgames

2. Choose the games that you want to play. Just write the date and title in your book. You do not need to write anything else for French in your books today.

Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

Try this video:

- Avengers Endgame workout!

<https://www.youtube.com/watch?v=jyWyBern6q4&list=PLvuT1Bjs2VSF0Yqahj8VAKBwyYFnLJIDa&index=2&t=0s>

- Join Joe Wick LIVE everyday at 9:00 am on YouTube: [click here](#)

Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra ‘lessons’ for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

Year 5	English	<ul style="list-style-type: none">• Genre Focus: Setting Description
	Maths	<ul style="list-style-type: none">• Transformations• Converting• Volume• Calculating with decimals• 2-D and 3-D shape
	Foundation	Science: <ul style="list-style-type: none">• Unit 1: rock cycle• Unit 2: electricity Humanities: <ul style="list-style-type: none">• Middle East Spanish: <ul style="list-style-type: none">• To learn the alphabet and numbers 1-10 in Spanish Creative: <ul style="list-style-type: none">• To identify a range of different textures and use a pencil to recreate them

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

Click here for the link: [BBC Bitesize Daily Lessons](#)

The screenshot shows the BBC Bitesize website interface for Year 5/P6 lessons. The header includes the BBC logo and the text 'Bitesize Daily lessons'. Below the header is a navigation bar with icons for home, search, and other functions. The main content is a grid of lesson cards for the week of Monday 20 April to Friday 24 April. Each card lists the subject, topic, and a brief description of the lesson.

Monday	Tuesday	Wednesday	Thursday	Friday
English Understanding similes and metaphors	English Understanding and using alliteration	English Writing a newspaper report	English To understand expanded noun phrases	English Reading lesson: To Be a Cat by Matt Haig
Maths Identify and position negative numbers on a number line	Maths Add and subtract numbers with more than 4 digit numbers using	Maths Multistep problems, including estimating and rounding	Maths Multiples and factors	Maths Challenge of the week
History Who were the Ancient Egyptians?	Geography Introduction to settlements	Science The solar system	Music Singing with feeling	Wellbeing Teamwork

Extension: Chess Lessons

Hello Year 5,

We have some **very exciting chess news** !

Chess in Schools, (who teach Year 4), have managed to get each Year 5 child a **free gold level access to the ChessKid website** until **20th July**.

Chris (Year 6 teacher) has been using it and says it is FANTASTIC !

The [ChessKid for Parents and Carers leaflet](#) tells your parents all they need to know about ChessKid. It is also available on the school website. Click on the link to show it to your parents.

[Click here](#) and we will show you how it works and how you can sign up for a ChessKid Smithy Street account.
