Hello Year 2, Tallula and Nadia are missing you lots  
and lots!

# Writing

This week, we're learning about the book *The Day the Crayons Quit* by Drew Daywalt.

Yesterday you made **predictions** about the book!

Today we are going to listen to the story and find out more about those Crayons!

# Writing

Today you are going to choose 2 or 3 crayons from the story and write what you know and what you think about the crayons using the story to help you!

For example; I know pink crayon feels **frustrated** (annoyed) because Duncan never uses him.

Language structures you can use:

I know...because...

I think...because...

Perhaps.... because...

# Maths

Today we are going to group objects!

Start by finding some objects in your home.

You could use are lego, pencils or pasta!

Count out the objects like we did together for the ducks at school!

Then group your objects in 2s, 3s, 5s or 10s. Remember when we group it always has to be fair! So each group should have the same amount of objects.

In your Maths books write how many groups you have (**4 groups of 2 is 8**) and the repeated addition sentence ( **$2 + 2 + 2 + 2 = 8$** ). Use the ducks example to help you!

How many ducks?

4 groups of 2 is 8  
 $2 + 2 + 2 + 2 = 8$

# Music

Listen to Andy rap about the Arctic!

<https://www.bbc.co.uk/teach/bring-the-noise/andys-raps-polar-party/zn9fmfr/>

Think back to when we were learning about different habitats around the world!

Can you remember what they were?

Can you make up your own rap about one of these habitats using your knowledge about these habitats? Have a go at using rhyme (words that end in the same sound) in your rap if you can!
