# R.E, a message from Jessie:

## What is prayer? Is it helpful?

Make a list of all the people who help you. Add a sentence to each person in the list to explain how they help you.

We talk to people who are closest to us because they love us, want to help us and want to take care of us.

People who have a faith use this same idea when talking to God through prayer.

Today I would like you to create a symbolic drawing to show why people talk. Draw a picture of a mouth in the middle and add the title 'why we talk'. Next draw some symbolic pictures around the central picture. There are some examples below to help you.

**To say sorry/to share news/to share a worry/to be friendly/to say thank you**
