

# Wednesday 29th April 2020

Good Morning Year 2! Rain rain go away, come  
again another day!

# Writing

This week, we're learning about the book *The Day the Crayons Quit* by Drew Daywalt.

Listen to *The Day The Crayons Quit* by Drew Daywalt  
<https://www.youtube.com/watch?v=489micE6eHU>

Today you are going to express your ideas about the story.

We want you to tell us something that you like about the story. Tell us something that you disliked about the story. Write any questions you have about the story and tell us what the story reminds you of and why.

# Writing

Draw out this table in your literacy book or you can write in sentences if you would rather!

Remember to use **because** in your writing.

Something I like . . .

Something I dislike . . .

Questions I have . . .

Something story reminds me of . . .

# Maths

Today we are going to be reminding ourselves of 2D shapes.

Can you name as many 2D shapes as possible in 1 minute? Get your adult to test you!

Play a game with an adult or sibling, you have to guess the shape they are thinking of by asking questions about it. E.g how many sides does it have? How many vertices does it have? Then swap!

Why not draw a picture of yourself and your family made out of 2D shapes?

# Science

In science we are learning about plants! Last week you made a mind map of all the things you know about plants.

Today we are going to think about what plants need to grow.

Watch this BBC Teach video on what plants need to survive - <https://www.youtube.com/watch?v=RXVhiUnTA8>

Make a poster about all the things plants need to grow and survive!

If your adult was able to get some seeds have a go at planting them today! What things will you need to make sure you do so your plant is able to grow?

## PHSE

It's really important to look after your mind as well as your body. Harold the giraffe is posting daily ideas for creating routines and the different things that you (with the help of your parents/carers) can do to keep happy and healthy - including looking after your emotional health.
