

Monday 29th June

For each activity, write the date and title in the appropriate workbook.

For example:

Monday 29th June

Reading: ...

Good morning/afternoon, Year 5!

Some of you may have seen a letter from Edith (you're parents should have received this) about 'transition week'. On the 6th of July (next Monday), Year 5 will be invited into Smithy Street for a couple of hours to see our old classrooms with Bradley or myself, then meet your new teacher and see your new classroom! You will also be able to take home your FREE new uniform (Stepney Park Primary School has a new colour jumper!), bookbag and a leaflet with more information about the new school. Bradley and myself will be ringing you this week to let you know if you should come in during the morning or afternoon (not both).

From, David

Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra ‘lessons’ for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

The screenshot shows the BBC Bitesize Daily Lessons website interface for Year 5/P6 lessons. The header includes the BBC logo, the text 'Year 5/ P6 lessons', and the dates 'Monday 20 April - Friday 24 April'. Below the header is a table with five columns representing the days of the week (Monday to Friday) and three rows representing different subjects: English, Maths, and History/Geography/Science/Music/Wellbeing. Each cell in the table contains a brief description of the lesson for that day and subject.

Extension: Chess Lessons

Hello Year 5,

We have some **very exciting chess news** !

Chess in Schools, (who teach Year 4), have managed to get each Year 5 child a **free gold level access to the ChessKid website** until **20th July**.

Chris (Year 6 teacher) has been using it and says it is FANTASTIC !

The [ChessKid for Parents and Carers leaflet](#) tells your parents all they need to know about ChessKid. It is also available on the school website. Click on the link to show it to your parents.

[Click here](#) and we will show you how it works and how you can sign up for a ChessKid Smithy Street account.
