

Thursday 30th April

Reading

Login to Purple mash. Under the 2Do tab you will find your reading task for this week.
Read chapter one again.

Read Chapter 1 and answer the multiple questions. You can do this online in the 2Do folder.

[Click here to get a PDF link to Chapter 1 here.](#)

[Click here for the sequencing activity.](#)

Remember to read a book for 20 minutes every day.
Make yourself a book mark to keep your place.

Writing

Watch the following clip of
The Little Shoemaker.
(Click on the picture link)

Tomorrow you will be writing some dialogue between the Shoemaker and his shoes.

Look at the lesson about dialogue to remind you about how to write it.
[Inverted commas Lesson](#)

Complete the dialogue activity in your book [Dialogue Activity](#)

Maths

1. Click on the answers link and mark the work that you did on Wednesday.

Answers

2. Follow Lesson 4- Order decimals

The screenshot shows a lesson page titled "Lesson 4 - Order decimals". At the top, there is a navigation bar with "f l a s h b a c k 4" and "Year 4 - Week 11 - Day 4". Below this, there are three questions:

- 1) What is the value of the underlined digit? $0\underline{5}7$ $\frac{5}{10}$ tenths
- 2) Calculate $7 \div 10$ 0.7
- 3) Complete the part-whole model.

Below the questions, there is a diagram of a part-whole model for the number 0.731. The whole is represented by a circle divided into 1000 equal parts. The number 0.731 is written inside the circle. The first 700 parts are shaded, representing 0.7. The next 30 parts are shaded, representing 0.03. The last 1 part is shaded, representing 0.001. To the right of the diagram, there is a play button icon and the number 0.731.

On the right side of the page, there are two buttons: "Get the Activity" and "Get the Answers". Below each button, there is a small text box containing the lesson title and year/week/day information.

3. Now complete the activity in your maths book/ on paper. Lesson 4 - activity

Computing

We are continuing to learn how to type.

Login to Purple Mash and find the todo activities we have set.

Remember to login using your own username and password!

Bottom Row Keys :

Watch the Introduction to typing clips if you need a reminder.

Introduction to typing:

Music

Singing is a really good way of keeping our minds active and lifting our moods.

I challenge you to have a listen and learn a new song every day. Teach your family the song.

The Tadpole Song - Song Activities

P.E.

Remember it's important to stay fit and healthy.

Follow the link below for a great P.E. Lesson with Joe Wicks.

[P.E. with Joe Wicks](#)

Hello Year 4,

We have some **very exciting chess news** !

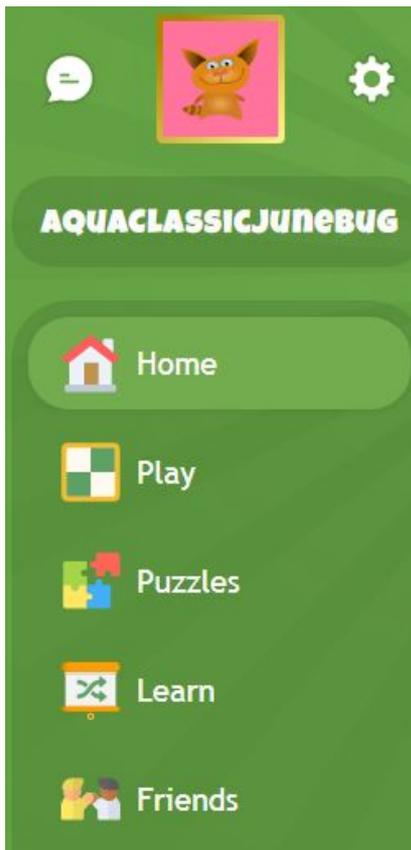

Chess in Schools, (who Andrew works for), have managed to get each of you a **free gold level access to the ChessKid website** until **20th July**.

Chris has been using it and says it is FANTASTIC !

The [**ChessKid for Parents and Carers leaflet**](#) tells your parents all they need to know about ChessKid. Click the link and show it to you parents.

The next few slides will show you how it works and how you can sign up for a ChessKid Smithy Street.

What can I do on ChessKid ?

These are your settings..The speech bubble is where you may get a message from Chess in Schools or ChessKid.

This is your user name. It is created when you sign up. Make sure you write it down. **Do not change your user name.**

Play chess matches against the ChessKid computer or your friends.

Play chess puzzles against the ChessKid computer or other children.

Lots of lessons that teach you how to play chess. There are many more lessons to improve your chess skills if you can already play. More details on the next slide.

Send a friend request to other Smithy Street children. When this is set up you will be able to play matches against each other in ChessKid.

Lessons

Each lesson has a teaching video followed by exercises for you to complete. If you are a beginner, start at the first lesson. If you can already play, scroll down the list and choose where you think is best to start for you. The lessons become more challenging as you work through them.

Videos

Here you can find videos to teach you all aspects of chess for example: openings, endgames, tactics and strategy.

The screenshot shows a green-themed interface for a chess learning application. At the top, it displays 'Your Level: PAWN 3' next to a chess pawn icon with a '0%' progress indicator. To the right, it says 'Next Lesson: Meet the Queen!' with an orange 'START' button. Below this are three main categories: 'LESSONS' (with a book icon and the text 'Take interactive chess lessons'), 'VIDEOS' (with a clapperboard icon and the text 'Learn from the best!'), and 'WORKOUTS' (with a brain icon and the text 'Play set positions'). A 'VISION' section with an eye icon and the text 'How's your board vision?' is also visible. Three white arrows point from the text blocks to the 'LESSONS', 'VIDEOS', and 'WORKOUTS' sections respectively.

Workouts

Get better at chess by practicing these key positions over and over! Sometimes the goal is to win, sometimes to draw. If you get it right three times in a row, you've probably mastered it!

How do I sign up for chess kid ?

Click on this link and follow the instructions to set up your own personal Smithy Street account.

<https://www.chesskid.com/register/kid/group/GC5FSG>

YOUR PARENTS NEED TO ENTER THEIR E-MAIL ADDRESS DURING THE SIGN-UP. IF THEY DON'T DO THIS YOU WON'T BE ABLE TO CREATE YOUR OWN ACCOUNT.

Your parents will also receive an email from ChessKid inviting them to set up their own account. If they do this, they will be able to recover your username and password if you forget it. They can also learn to play chess- just like you !

MAKE SURE YOU WRITE DOWN YOUR USERNAME AND PASSWORD AND KEEP IT SAFE.

Remember, your account will only work until **20th July. After this date it will be inactivated.**

Make the most of it !

Website or app ?

P.S. You can access ChessKid through their website or by downloading their app. **It is better to use their website** as the app does not have everything on it.
