

Dear Children,

We hope you are enjoying the activities your teachers have given you whilst we are all staying at home.

We have some exciting news for you.

From September, our two schools will become one school –

Stepney Park Primary School.

We know most of you are also pleased about this and are looking forward to more playground and opportunities for new friends. Some of you will have some worries.

Your teachers had hoped they could talk about the changes with you in your classes but, at the moment, they cannot do that and so we thought we should write this letter to you.

In the Summer Term your teachers will think about ways to ask you to help make sure the new start is really exciting and that all the great things about Redlands and Smithy Street Schools are celebrated.

We hope you are finding ways to have fun and keep fit and healthy – we know you are all very creative!

Best Wishes

Anna Gouge

Chair of Redlands School

Ros Coffey

Chair of Smithy Street School
